

Benefits of Using Windsor WorkCare for your Occupational Medicine Needs Include

Windsor WorkCare provides immediate communication!

- ❖ Physician personally speak with both the patient and your company representative
- ❖ Carefully explains the diagnosis and treatment, answering any questions
- ❖ Bi-Lingual staff
- ❖ Prompt return of Patient Status/ Return to work reports by email or fax

Windsor WorkCare efficiency lowers your cost and respects your time

- ❖ Independently owned by Dr. Craig Collier which means no inflated corporate fees
- ❖ Getting your employees feeling better and back to work sooner
- ❖ Minimal wait times
- ❖ Avoid costly after hours Emergency Room visits. Windsor's physician's are on call 24 hours a day, 365 days a year.
- ❖ No physical therapy on site which means no "padding the bill" with over-prescribed rounds of physical therapy
- ❖ Significantly lower cost & shorter wait times than the emergency room
