

HIGHER TAXES AND RISING COSTS WILL IMPACT US ALL IN 2017

Where will your business make the critical cuts?

Did your employee healthcare expenses INCREASE again last year?

The answer is NOT insurance shopping.....

Do you believe that ANY insurance company is interested in lowering your expenses? Do they even have the ability?

3 things you can implement right now to reduce the cost of employee healthcare

Employee wellness initiatives

Post-offer physicals

Forge a strategic partnership with the right medical provider. This is the most IMMEDIATE and DIRECT way to improve employee care and control costs

How Windsor Workcare can help your company

Reduce OSHA Recordables

Reduce Lost work days

Reduce referrals to a specialist Reduce unnecessary and costly diagnostic procedures (MRI)

Eliminate expensive visits to the ER

24- hour medical coverage direct communication with the doctor
